

6/18/2002 – 6/20/2002

Families Matter (T.E.A.C.H., Inc.)

\$600.00 – Provide Childcare services for Parent/Professional Campout – To provide supervision and developmentally appropriate activities to children aged 0-5 years in order to provide support to parents, making it possible for parents and families to participate. The annual Parent/Professional Partnership Camp is a structured camp with participation in scheduled activities a requirement. It is an opportunity for families, who are recipients of services provided by agencies in Modoc County, as well as agency staff and their families, to interact in a unique, collaborative environment. By working together on camp cooking and clean-up crew, learning together and playing together, the camp is designed to eliminate barriers between families and agencies. The agencies may include, but not be limited to: Probation, Children's Protective Services, Mental Health, Alcohol & Drug Services., multiple Child and Family Resources and CalWORKs.

7/17/2002-8/03/2002

Fort Bidwell Pow-Wow Committee

\$460.00 – Incentives for participation of children ages 0-5 – To help provide strong youth involvement in the dance celebration and give the children a chance to meet various Native Americans through out the country who are abstaining from drugs and alcohol and to begin to build a young persons self-esteem of their heritage by teaching the children their culture to pass on to the next generation.

8/01/2002-6/30/2003

T.E.A.C.H.,Inc (local Non Profit)

\$53,000.00 – Community Child Care Program – The primary goal of the program is to provide enriched, quality childcare to all parents that could benefit from the numerous, newly developed Adult Basic Education, English as a Second Language and English Language Civics Educational classes currently being offered in Modoc County. The Parenting With Purpose Program, administered by the Tulelake School District has agreed to provide quality parenting classes county-wide. Classes will be free of charge and presented in the families primary language. While various programs exist, there are many families not being served due to program/grant restrictions, family's inability to commit to lengthy program requirements and/or classes being taught in a language they don't understand.

8/1/2002-6/30/2004

Modoc County Health Department

\$60,000.00 – Education and Support During Pregnancy through Collaboration – The project is a collaborative effort between the Modoc County Health Dept, the Modoc Early Head Start Program and the Welcome Baby Program. The focus is parental education, support and advocacy during pregnancy for parents with children up to age 3. Outreach and education to families will be offered regardless of family income level. Several related components included are Childbirth Education Classes, Infant Massage Classes, Parent Support Groups, and Case Conferencing.

9/18/2002-6/30/2003

Tulelake Community Partnership (local Non Profit)

\$4,336.00 –Childcare and Childcare Provider Training Center -The proposal will allow an out lying area of the community to formulate a plan and action steps to increase the availability of infant child care in the Newell area. Their vision for the childcare/provider training center also addresses goals of increasing training for professionals and families and parent education and support. (Collaborative effort between First 5 Siskiyou and First 5 Modoc to fund this program on a 50/50 basis)

9/18/2002 – 6/30/2003

Modoc County Health Department

\$10,000.00- Enhancement of the Perinatal Outreach Education Program(POE) – Funding to purchase educational materials, incentives, equipment and supplies to enhance the POE program and breastfeeding support which is available to all pregnant and lactating women in the county. Two years ago lactation equipment and supplies were purchased through FIRST 5 Modoc. These purchases have been made available free of charge to Modoc women after consultation with the POE lactation specialist. Additional breast pumps and lactation supplies are now needed to help women continue to breastfeed and nourish their babies when they return to work.

10/9/2002 – 6/30/2003

Families Matter – Modoc Child Abuse Prevention Council (T.E.A.C.H., Inc)

\$4,715.00 – Perinatal Substance Abuse (PSA) Team Project – Create a trained team of 10 people from key agencies and providers to develop a Perinatal Substance Abuse plan for Modoc County.

12/12/2002 – 2/22/2003

Surprise Valley Parent Action Committee

\$885.00 – Pee Wee Basketball – To purchase youth sized basketballs and elementary rollaway basketball hoops to provide physical skills, social skills and motor skills at a young age. Civic volunteers will be operating the program. This program will be provided in a very remote area of Modoc County.
